If your cat is missing immediately contact the Floodwood Police Department at 218-476-2239 leaving a description of the animal.

If your cat is found by the Floodwood Police Department you will be subject to penalties under the City of Floodwood Cat Ordinance. If your cat has a tag on its collar we will make every attempt to contact you. It is important to inform the City of Floodwood of changes to your address or phone number. We also post notice at Floodwood City Hall of cats found. If we cannot contact you, your cat will be taken to an animal shelter where it will be held for three days. Your cat may be euthanized if it is not claimed within three days of when it was brought to the shelter.

Before the animal shelter will release your cat you must obtain a release certificate from the City of Floodwood and present the certificate to the shelter. The shelter will require all boarding fees to be paid before they release your cat to you.
